E: siber.camp@gmail.com

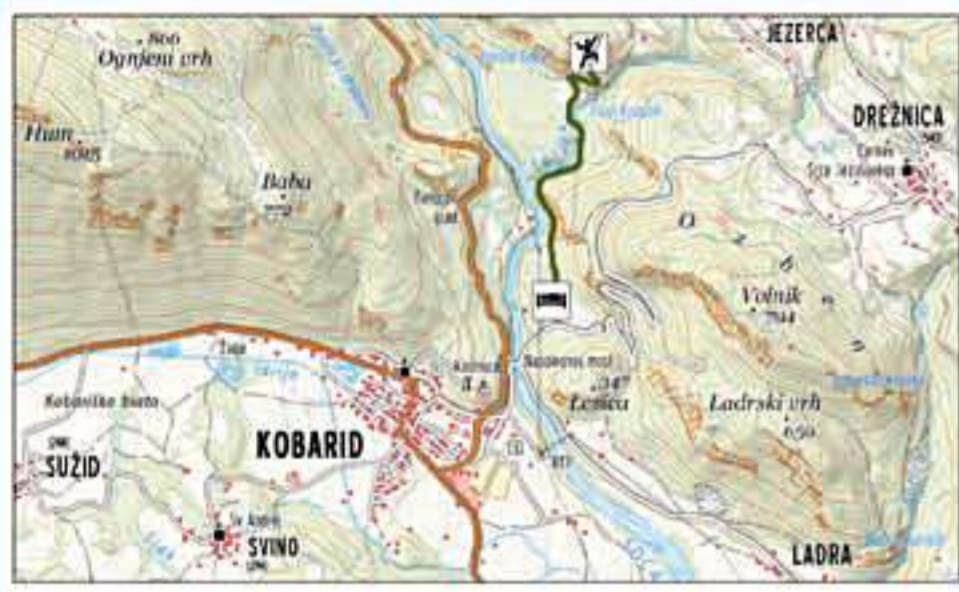

The camp season: 1st May to 30th September

GPS N: 46,10.52 E: 13,44.15

The guests will enjoy in clean and unspoiled nature in the camp Siber, away from the hustle and bustle of the city. The camp is an excellent starting point for paragliding, hang – gliding, climbing, cycling tours, mountaineering and walking in nature.

Kobarid

INFO: TIC KOBARID
T: +386 (0) 5 38 00 490, www.dolina-soce.com

The climbing area is situated under the Kopitnik hill top, above the big terrace which was shaped by the Soča. Because of easier routes, beautiful geographical position and interesting environment, it is suitable for short family trips and for beginners. The most appropriate time for climbing is autumn, winter and spring, summer days are usually too hot. Information and accommodation are available in the camp Koren, which is situated 20 minutes from the climbing area.

The camp season: 1st January to 31st December

GPS N: 46,15.053 E: 13, 35.200

The Koren camp is the oldest camp in the Soča valley. It is situated on a peaceful location on the left riverbank and is situated down under the mountain called Krn. It offers many options for activities – in the mountains, in the sky or water. For this reason it is popular among hikers, climbers, mountaineers, paragliders, hang – gliders, kayakers, rafters, cyclists and fishermen. You can also spend your holidays on an ecological farm, scouts on the other hand, will feel best on a separated and settled space.

F: +386 (0) 5 388 93 11,
E: marija.kravanja@siol.net

The camp season: 1st May to 30th September

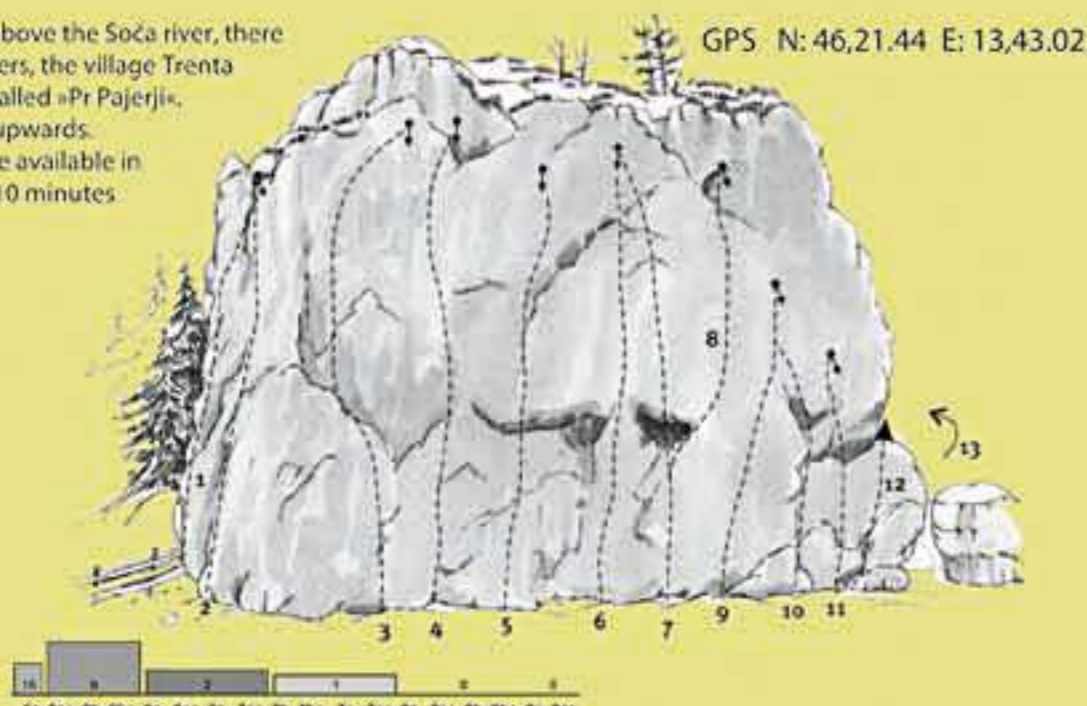

GPS N 46,37.400 E 13,74.070

The camp Triglav is situated by the road Bovec - Vršič, in the village called Trenta. Only the road separates it from the Soča. There are many walking paths in the vicinity, you can also borrow sticks for nordic – walking. The camp is a pleasant starting point for mountaineering, climbing, hiking, mountain and road cycling. And of course the river Soča, with its affluents, offers to the visitors many pleasures.

In the vicinity of the village Trenta, above the Soča river, there are two big boulders. Besides boulders, the village Trenta offers an interesting climbing area called »Pr Pajerji«. It is situated a couple of kilometres upwards. Information and accommodation are available in the Kamp Triglav, which is situated 10 minutes from the climbing area.
